

Assumption Parish School

Learning in the light of the Gospel

Mission Statement

ASSUMPTION PARISH SCHOOL is an educational ministry established by Assumption of the Blessed Virgin Mary Parish for the education and formation of its children (grades preschool through eight) in the vision and faith tradition of the Roman Catholic Church.

Presuming an active faith is practiced both in the home and the parish community, this ministry is provided for Catholic and other Christian families who strive for excellence in academics and personal responsibility for self and society in light of the Gospel of Jesus Christ.

THANK YOU for inquiring about Assumption Catholic School. Please take a few minutes to read this brief introduction to our school. *Assumption is a wonderful school with excellent teachers and staff. We offer a great learning environment that includes the following:*

Academic Excellence- Assumption offers a rigorous, well-rounded, curriculum that educates the whole person and prepares students for the next level of education. Teachers and administrators from Spokane high schools, including Gonzaga Prep, report to us that our students are among the most well-prepared for the next level of learning.

Community- Being part of a Catholic School comes with many blessings. One such blessing is the sense of community that we build together. Through social functions, athletics, volunteer opportunities, Mass, parish activities, and fundraisers parents and students have the opportunity to develop lifelong friendships. By participating in these activities you will appreciate Assumption's family atmosphere. Our community not only shares in the joys of life, but also offers support during times of sorrow or crisis. We believe that through interaction with Assumption you will appreciate being a part of our community.

Small Class Sizes- Assumption currently averages between 15 and 22 students per class. This provides an excellent opportunity for our teachers to address individual needs and teach to many skill levels.

Safe Environment- All school teachers and volunteers are required to complete a Code of Conduct Training Course. In addition, our Home and School association provides annual presentations on various issues facing our community, such as cyber-safety. Providing a safe environment to learn and grow is an important priority.

Christian Values

Registered and active- The school family should be registered and active in Assumption Parish or another parish in the diocese, or, in the case of other Christian denominations, in the parish/church of their denomination. The faith celebrated in those communities and practiced at home is augmented and supplemented by the school ministry. Parents should provide discipline and formation in the home consistent with that fostered in the school.

Weekly Service Attendance- We take our Christian commitment to weekly services seriously and expect that whatever faith you practice will include weekly Mass/Service attendance as well as attendance to Holy Days of obligation at your place of worship. Students attend a weekly Mass as part of our school curriculum in addition to Sunday services with their families.

Tithing of your time, talent, and treasures is expected of any Christian and is expected at whatever church you attend. While recognizing that tuition is a sacrifice, your church/parish still counts on your financial stewardship to maintain its health and continue God's work.

Assumption facilitates the formation and preparation for the **sacraments** of Baptism, Confirmation, Eucharist, and Penance. More importantly, Catholic families are expected to integrate these sacraments into their daily life on an on-going basis.

Financial Overview

Assumption Parish School, parents, and the parish community work together to provide the resources needed to sustain the school program. The three main sources of revenue include parish allocations, tuition pledges, and fundraising.

Parish Support continues to be strong – The school receives a cash subsidy of \$76,000 yearly from the parish. The parish also pays for all expenses related to utilities and maintenance of the facilities amounting to an additional \$54,000. The parish community continues to support school fundraisers and donates generously time, money and talent to the school ministry.

Tuition Pledges – Private education is a sacrifice for all families, but it is a gift to your child that will last a lifetime. We determine the true cost of educating a student by dividing our expenses by our projected enrollment. The cost per student for 2016 – 2017 is \$5750. Tuition for the 2016-2017 school is set at \$4,500. Thank you for your generosity and financial stewardship. I am confident you will continue to support Assumption. We ask that families prayerfully consider their own economic situation and strive to commit to the full cost per student of \$5750, but we do realize that some may require tuition assistance to even reach the \$4500 mark. For that reason we have a tuition assistance program. Please review the newly revised tuition guidelines.

How does Tuition Assistance Work?

Both the school and the parish share a commitment to Catholic Education. Tuition Assistance is a discernment process each family must make in determining how they value private Christian education and to what extent they can financially support the cost of educating their child at Assumption Parish School.

Families are asked to complete the **Tuition Agreement** form and indicate their need for tuition assistance. Families requesting tuition assistance are required to submit a copy of the 2015 Tax Return or W-2 form with their registration paperwork. If you need tuition arrangements other than the enclosed tuition assistance scale, please schedule a private conference with the principal.

Registration Fee

The registration fee is \$135 per student. This is a non-refundable fee that accompanies the registration packet. Fees help defray the cost of:

- Honeywell Instant Alert System- our automated parent communication system
- Student Insurance
- Internet and website maintenance
- Student resources and materials (student workbooks, Simple Solutions Math, etc)

A \$25 playground fee is charged for recess supervision costs. This will be refunded upon serving 5 hours of recess supervision. See attached form to sign up for supervision.

5th and 6th Grade instrument fee will run about \$180. Instruments can be acquired through local music shops.

Assumption School is an exceptional Catholic school. A Catholic education involves a commitment to Christian values and an active involvement with your children's education in the life of the parish and the school. Non-Catholics are welcome to participate in parish activities but must fully participate in all school activities. Your sacrifice and dedication of time, money and talent will be a gift to your child that lasts a lifetime. Together we can provide a strong academic and moral foundation that allows each child to form their character and develop the skills they need to make a positive difference in our world.

Sincerely,

T.J. Romano
Principal

UNIFORMS

School dress shall be in keeping with the age of the students and the principles of Christian modesty. Students are expected to be neat, clean and well groomed. The need for a student dress code is based on school order and minimizing distraction in the educational environment. The principal establishes the stipulations for the *Dress Code*. (Policy #5132)

Unless otherwise announced, all school students at Assumption Parish School in kindergarten through eighth grade are to wear standard uniforms as determined by the school principal. Although the school's dress code does not fully apply at all school activities or events, students still are expected to dress in an appropriate manner which reflects the standards and values of Assumption Parish School. The term **plain** is used to define uniform items that have no logos, distinguishing labels, or decorative distinctions, which includes stitching on pants and additional buttons. The term **Assumption** refers to official uniform attire provided by the DENNIS uniform company and meets all school requirements including the type of plaid for jumpers, skirts, and skorts. When students cannot come in uniform, they must bring an explanatory note to the teacher. (This should happen rarely.)

Since changes in uniform requirements may have a significant economic impact, parents must be advised by May 1 of changes in the *Dress Code* for the coming school year. If the principal decides that a public hearing regarding the *Dress Code* is necessary or beneficial, he/she will establish a forum where concerns can be expressed by all in a responsible manner.
